DETAILED ACTION

Claim Rejections - 35 USC § 112

Claim 6 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention, since the claim refers to a "said fluid permeable foundation layer" which terminology has been cancelled from the claim hierarchy.

Allowable Subject Matter

Claims 1-2,5,7,9-13,15-22,24-25,28-29,31-35 and 37 – 42 are allowed.

Claim 6 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Snow et al (US6749554) advances inter alia over Joseph et al by contriving a radioisotope containing seed coating including an echogenic layer including in situ – generated as well as pre-formed variants, the former including bubble formation formation by biological activation by for example reaction of effervescent salts, sodium bicarbonate or solid acids within a singular gas-producing coating and/or having separable spacers as defined col. 17 lines 46 – 51 as comprising a non-permeable metal barrier or echogenic bubble between isotope regions and therefore neither a permeable carrier nor a radial layering teaching.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3768

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
